Applications and Practice

Lesson Planning; Sharing

**Course content is subject to changes.*

What Others Say:

“The whole world should Mindmap”

...*The Express*

“Tony Buzan deserves a medal for coming up with the sanity-saving concept of Mindmaps, which makes difficult mental tasks possible, even pleasurable.”

...*TimeOut Magazine*

“If you put Buzan’s theories to the test, you could find yourself memorizing pages from a phone book, or becoming the brainiest person in the world.”

...*Personal Computer World Magazine*

“Tony Buzan...unlocks the power of our brains and shows mankind how to tap and use his creative genius with ease and effectiveness. For more than three decades Tony Buzan has been tireless in his quest to bring this powerful tool to the world.

By the latest estimates, about 200 million around the world are now using Mind Mapping, so it is just a matter of time before Mind Mapping becomes a universally used technique.”

...*His Excellency Dr. Abdul Hussein Ali Mirza, Minister, Bahrain*

“Mindmaps have changed my whole life. As a working mother, you are always being torn in loads of different directions, so if I set up a home Mindmap with ‘work’ branches and ‘kids’ branches and all the other responsibilities that working mothers have, I don’t forget anything.”

...*Rosaline Gower, BBC TV Producer & a working mother*

About Tony Buzan:

Tony has worked as an adviser in Thinking, Leadership, and ‘Thought Leadership’ – with many **Fortune 500** companies & leading education institutions in the world.

His advice is sought by governments across the world. Tony is the world’s leading author of books on the brain, learning & leadership, having authored & co-authored almost 100 books to date.
