

# MIND MAPS® & Multiple Intelligences for Team Work & Leadership

## SESSIONS

by  
**Buzan Centre Pune,**  
Aundh

## Introduction

The Chinese word for 'Crisis' is written in two separate characters: the first – Danger, the second – Opportunity.

We are currently in times of crisis, and the current growth in bankruptcies is caused by one major underlying bankruptcy: the bankruptcy of Thoughts, Ideas & Intelligence. In other words – the bankruptcy of well trained, inspired and Creative Leadership.

And, herein lies your opportunity.

**buzan**  
*pune*

Every company in the world now has an urgent need for strong and creative leaders to show the way through. Those who can lead and who are thought-leaders will be able to grasp the many opportunities that crises offer.

Using the knowledge of multiple Intelligences in your day to day activities will help the organization to effectively use the inherent skills of its employees to its advantage.

## Who Must Attend

Anyone in the organization who has any leadership role.  
Team leaders, Project leaders, Marketing Heads etc.  
Those being groomed to take up leadership roles in future.  
Followers who need to report to leaders  
– as they would know what their leader expects from them.  
Owners & managers of Businesses and Profit centres.

## What Others Say:

"If you put Buzan's theories to the test, you could find yourself memorizing pages from a phone book, or becoming the brainiest person in the world."

*...Personal Computer World Magazine*

"Mindmap will do for the Brain what Stephen Hawking's did for the Universe."

*...Raymond Keene OBE, International Chess Grandmaster, The Times*

"Mind Mapping enables me to do in minutes what used to take me hours, sometimes even days."

*...Jeffery Mayer, Author of 'Time Management for Dummies'*

"Mindmaps have changed my whole life. As a working mother, you are always being torn in loads of different directions, so if I set up a home Mindmap with 'work' branches and 'kids' branches and all the other responsibilities that working mothers have, I don't forget anything."

*...Rosaline Gower, BBC TV Producer & a working mother*

## About Tony Buzan:

*"Brain Capital and the Currency of Intelligence, the one capital which has never declined and the one currency that always increases if you invest in it."*

Global leaders who have adopted Tony's techniques & place brain capital as their top priority include IBM, HSBC, Oracle, Intel, Xerox, General Motors, Hewlett Packard, JP Morgan, Microsoft, British Telecom, Boeing, Barclays International, & Walt Disney, amongst others.
